

SOFT SKILLS — MODULE 2

Professional Letters

TOPS Technologies • Assessment Submission

Prepared by: **Harshil Mistry**

The assessment requires professional letters with clarity, concise reasons and a formal tone.

1. Cover Letter

Subject: Application for a Java Full Stack Developer Role

Dear Hiring Manager,

I am writing to express my interest in the Java Full Stack Developer position at your organization. I have developed a strong foundation in Java, object-oriented programming, SQL, Spring Boot, REST APIs and backend development.

Through academic and personal projects, I have gained practical experience in developing applications, working with databases and building RESTful services. I am a quick learner, committed to improving my technical skills and comfortable working as part of a team.

I would welcome the opportunity to contribute my skills and learn from your organization. I would be grateful for the opportunity to discuss my suitability for the role in an interview.

Thank you for your time and consideration.

Sincerely,
Harshil Mistry

2. Portfolio

Subject: Professional Portfolio Introduction

Dear Sir/Madam,

I am pleased to present my professional portfolio, which highlights my technical skills, projects, learning journey and achievements in computer engineering and software development.

My areas of interest include Java, Spring Boot, SQL, REST APIs and full-stack development. My portfolio demonstrates my ability to learn new technologies, solve problems and apply concepts through practical projects.

I continuously work on improving my programming, communication and professional skills so that I can become a capable software developer.

Thank you for taking the time to review my portfolio.

Sincerely,
Harshil Mistry
